2. The registration process requires the user to agree to the below user agreement.

(ALL USERS MUST READ AND AGREE TO THE FOLLOWING USER AGREEMENT IN ORDER TO COMPLY WITH THE REQUIREMENT OF INFORMATION SECURITY AWARENESS TRAINING BEFORE PROCEEDING FURTHER.)

1. All authorized personnel who have access to criminal justice information (CJI) or manage CJI systems are required to receive biennial security awareness training.
 - a. The initial training shall be required prior to accessing any CJI on this site.
 - b. Documentation of security awareness training must be maintained by the agency sponsoring this site.
 - c. For further information refer to the Federal Bureau of Investigation (FBI) Criminal Justice Information System (CJIS) Security Policy Section 5.2: Policy Area 2: Security Awareness Training.

2. The FBI CJIS Security Policy provides the minimum level of security requirements determined acceptable for the transmission, processing, dissemination and storage of Criminal Justice Information (CJI).
 - a. CJI is the abstract term used to refer to all of the FBI CJIS provided data necessary for law enforcement agencies to perform their mission and enforce the laws, including, but not limited to: biometric, identity, biographic, property, and case/incident history data.
 - b. The intent of the CJIS Security Policy is to ensure the protection of the above CJI until such time as the information is either released to the public, for example, crime report data, or is purged or destroyed in accordance with applicable statutes.

3. CJI must be properly handled throughout its life cycle whether at rest or in transit. CJI may only be disseminated to authorized recipients. CJI must be marked or identified as such and viewed only by those persons authorized to do so.
 - a. CJI must be shielded from the intentional or unintentional view of non-authorized personnel.
 - b. Improper access, dissemination, handling, or use of CJI is serious and may result in administrative sanctions including, but not limited to, termination of services, civil penalties, and state or federal criminal penalties.

4. Access to and use of Criminal History Record Information (CHRI), commonly known as "Rap Sheets" is for authorized purposes only, including investigation, arrest, or criminal justice employment. It is not to be used for licensing purposes.
 - a. Dissemination is authorized if the other agency or party is an authorized recipient.
 - b. All CHRI must be afforded maximum security. It is intended for use by authorized criminal justice agencies for criminal justice purposes.
 - c. New Jersey Computerized Criminal History (NJCH) can only be accessed for a criminal justice purpose: investigation, arrest, criminal justice employment. It is not to be used for firearms permit investigations.
 - d. Interstate Identification Index (III) can only be accessed for a criminal justice purpose: investigation, arrest, criminal justice employment, and firearms permit investigations.

5. Utilizing publicly accessible computers to access, process, store or transmit CJ is prohibited. Publicly accessible computers include but are not limited to: hotel business center computers, convention center computers, public library computers, public kiosk computers, etc.
 - a. For further information refer to the FBI CJIS Security Policy Section 5.5: Policy Area 5: Access Control.

6. According to the Office of New Jersey Info Security, no personal devices are permitted to attach to any New Jersey network. This does not include access to this site for the purpose of the authorized down loading of discovery materials.
 - a. Users must be aware of the potential risk of opening E-mail attachments from unknown sources, (virus, malicious code, computer security incident).
 - b. Users must be aware of the potential risk of social engineering: The act of manipulating people to perform actions or divulging confidential information. Prior to releasing any CJ, the identity of the requestor and their right to receive the information must be verified.

I agree to abide by the above User Agreement when accessing and handling CJ through this site.

8. The user will receive a confirmation email that their registration was successful.

9. Requesting Access to a New Case.

Once an attorney is a registered user of the Portal, they can request access to new cases through the portal. The user starts by signing on to the portal, and clicking on Add New Case Request from the home page.

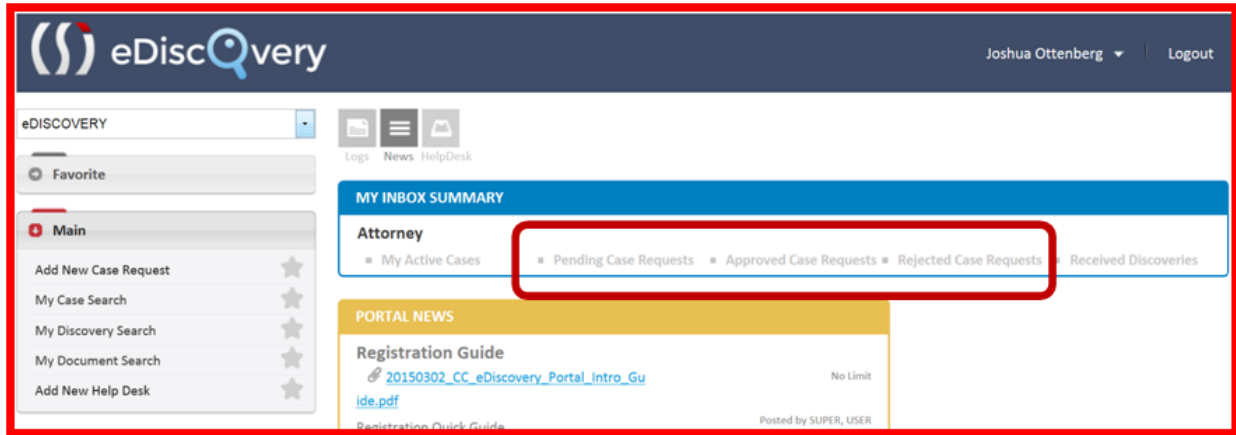

The user then adds as much accurate information as they have about the new case.

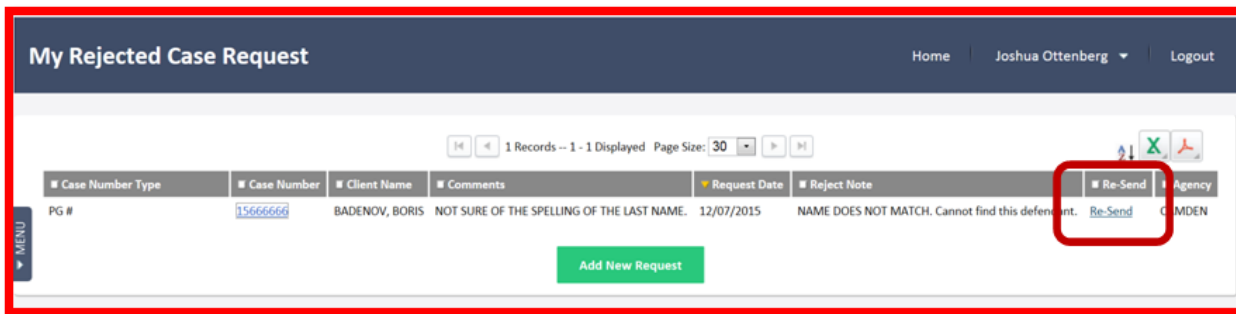

The screenshot shows the 'Add New Case Request' form. The title is 'Add New Case Request' and the user 'Joshua Ottenberg' is logged in. The form is titled 'ENTRY OF APPEARANCE' and contains several required fields: 'County (Req.)', 'Case Number Type (Req.)', 'Case Number (Req.)', 'Client Last Name (Req.)', 'Client First Name (Req.)', 'Client Middle Name', 'Client Suffix Name', and 'Bail Status'. A large text area for 'Note' is at the bottom, with a yellow arrow pointing to it. The form also includes a 'Submit' button, a 'Clear' button, and a 'Back' button. A '1500 characters left' indicator is visible below the note field.

When the user clicks the Submit button, the request will be sent off to an inbox on the court side and at the Prosecutor's Office for review. A user can view the status of their request by looking in the inboxes on their homepage.

When a Request is rejected because there is not enough information to match the attorney to the case, the rejected case inbox has a "Re-Send" link that allows the user to add more detail.

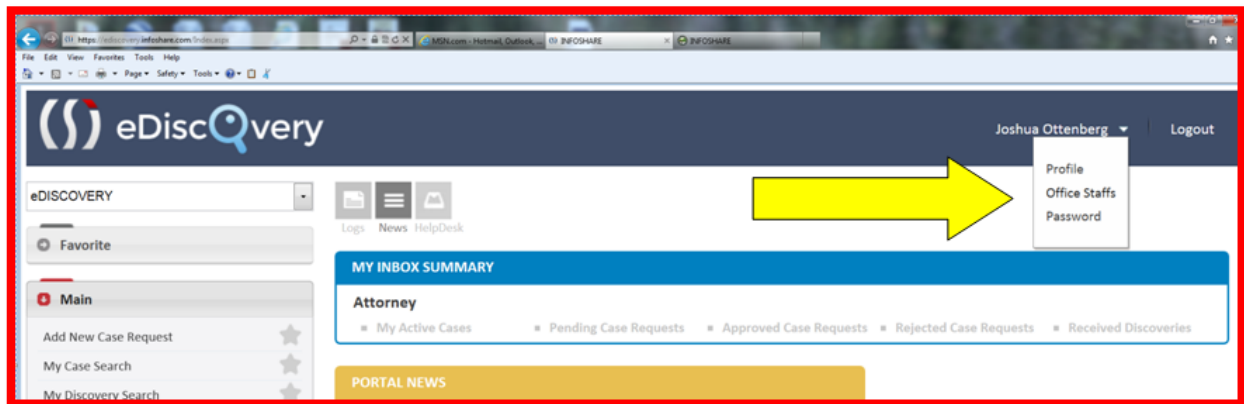

Once a Request has been accepted, the available discovery package will be added to the user's Active Case list.

10. REGISTERING RELATED CLERICAL SUPPORT STAFF.

Attorneys are able to register their clerical support under their own registration. This is done by clicking on their name on the home page, and then the Office Staffs link under it.

This will open a page showing the staff that has already been added and allowing the addition of new staff.

InfoShare eDiscovery Portal Registration Guide

To add new staff, simply click the add button and add the relevant details.

The screenshot shows a web form titled "Add Office Staff" with a close button in the top right corner. The form is divided into two main sections: "Personal Information" and "Contact Information".

Personal Information

- Login Email (Req.)**: A text input field with a green highlight and a red error message: "Please input the right login email format."
- Password (Req.)**: A text input field.
- Confirm Password (Req.)**: A text input field.
- First Name (Req.)**: A text input field.
- Last Name (Req.)**: A text input field.
